

# BABA PUBLIC SCHOOL

JALALABAD, MURADNAGAR, GHAZIABAD

## Undertaking

The school hereby confirms to the Central Board of Secondary Education (CBSE) that our premises are entirely enclosed by a boundary wall exceeding a height of 6 feet from all sides. This boundary wall ensures the security and safety of our students within the campus.

As per your request, we have attached a video link showcasing the presence of the boundary wall in our School Premise.
